## The Show

At 9:00 P. M.

June 5, 1953

Don James, Manager, The Hickories, Pardiville, Wis., Judge

The prize money this year amounts to \$450.00, made possible by the aid of the Blue Earth Civic and Commerce Association, and a pool of money received from the consignors themselves.

We have two aims in view in putting on this competition for premium money, judged by a competent judge of cattle.

First - To show the consignors the competition value of the cattle they have consigned with others in the show, thus encouraging them to bring better cattle each year to the sale.

Second - We will sell the cattle in the ring in the same order as the judge placed them in the show ring, so that a buyer who does not feel that he himself is competent to judge which one is best, can in this way use the experience of the judge as to which one is the better.

## *The Manager wishes to inform you*

### FIRST:

When calling for entries for this sale found that the entries came in faster and in larger numbers than they have ever come before. This we are certain is due to the fact that each year the consignors have been bringing better cattle and, therefore, have been getting better prices for their offering and are now depending more and more on this Spring Show and Sale held Annually at Blue Earth as a place to dispose of their surplus Shorthorns. Therefore we can announce that this offering of forty-one bulls and thirty-six females are the tops out of one-hundred and twelve cattle offered for this sale.

The thirty-six that were screened out mainly because of young age and not quite the finish worthy of the Blue Earth Sale are to be kept on feed and will be entered in a fall sale, which we now wish to announce that we are holding, the date of October 7, 1953 for a fall sale to be held at Marshall, Minn. Fair Grounds. We are now asking for entries to that sale.

We also wish to announce that some of the breeders who normally have cattle in this spring sale withdrew their entries in favor of new breeders, with an aim of entering them in the fall sale, also many of the consignors to this sale volunteered to keep out some in order to help. To those breeders we give our thanks.

The membership in the Minnesota Shorthorn Breeders Assn. is growing each year until we now find that we will not be able to depend on one sale a year but will have to plan on an Annual Fall Sale to take care of all the members.

Norman F. Findahl, Manager.
